April is here, bringing warmer weather, blooming flowers, and longer days. It's a great time for spring cleaning and helping keep our community looking its best. Please remember to keep yards tidy and avoid placing trash or unwanted furniture near the road, as curb appeal is important to everyone.

This month also brings Easter and Earth Day. We hope everyone has a wonderful Easter spent with family and loved ones. Earth Day on April 22 is a great reminder to help take care of our community by keeping our property clean and picking up litter. As always, thank you for helping keep our community a great place to live.

MAINTENANCE ATTENTION

Please **DO NOT FLUSH** "Flushable wipes" paper towels, or cloth rags down the drain pipes or toilets. Nothing other than toilet tissue should be flushed down. We realize the wipe packages may say "flushable" but the drainage pipes we have here are older and the insides are not smooth like newer plastic pipes. Because of the age of our drainage system pipes the insides are not smooth and these types of items **WILL CATCH** and hang up on the rough surfaces inside the pipes causing a blockage. If it is determined that the blockage was because of these items you **WILL BE CHARGED** for the time required to unstop the drains. **AGAIN PLEASE DO NOT FLUSH**
