February is a month that reminds us of the importance of community, compassion, and working together. As we move through the winter season, our Clothing Closet continues to serve a high volume of individuals and families in need. At this time, we are not accepting clothing or household donations, as we have reached maximum capacity. We truly appreciate the generosity and ongoing support from our community that has allowed us to remain well-stocked. For those who participate in our Community Service Program, this is an excellent opportunity to complete required service hours. We will be needing volunteers to assist with organizing, sorting, and maintaining the Clothing Closet in the coming weeks.

Thank you for your continued support, understanding, and willingness to help make a difference. Together, we are strengthening our community one act of service at a time.

Executive Director

### Crissie's Easy Peasy Goulash

#### Ingredients needed:

- 1 lb of Ground Beef      2 cups of Macaroni Noodles
- 1 small onion (diced)      1 can of corn (drained)
- 1 can Diced Tomatoes      Splash of Worcestershire

Directions: Boil your noodles. Cook ground beef in large pot over medium heat until brown (drain grease), stir in onion Worcestershire and what other seasonings you want. Add in the corn, diced tomatoes, and cooked noodles. Let everything simmer together for 5-10 minutes so flavors combine. Then it is ready to serve! Pairs really good with cornbread or garlic bread
